It costs just £1 per week to enter and you will be given 10 chances in the draw. If you'd like to increase your chances of winning you can always take out more than one entry. By playing the Lottery you will be making a difference to the lives of local people.

How can I pay?

You can pay by Direct Debit, debit card or cheque. Just complete the attached form and return it to The Inspire Partnerships Team, and we will get you set up!

When is the draw and how will I know I have won?

The lottery takes place every Friday and we write to all lottery winners enclosing their winning cheque.

Every week we publish the Lottery results on our website and social media pages. But don't worry, if you're our jackpot winner we will let you know straight away!
